

中国水科院“感受水工程之美”线上工程作品征集活动

为了共同庆祝工程师们的第一个节日，也为了让人们有机会欣赏到更多的工程之美，尤其是水利水电工程之美，值此世界工程日即将到来之际，中国水科院发起线上工程摄影作品征集活动——《感受水工程之美》。

我们欢迎所有关于**水利水电工程**的**原创摄影作品**投稿，作品足够清晰即可，拍摄时间、画幅尺寸、使用器材等等均无特殊要求。投稿截止时间为2020年2月28日。

我们将在世界工程日前后将征集到的优秀作品在中国水科院微信公众号展播，并拟将部分作品投稿世界工程组织联合会官方网站，让全世界一起来分享您看到的水工程之美！

还在犹豫什么？快点击以下投稿地址，晒出您的水工程靓图吧！

IWHR Call for Online Submission of Engineering Photos

To celebrate the first World Engineering Day on March 4, 2020, China Institute of Water Resources and Hydropower Research (IWHR), a leading research institute in water resources and hydropower field in China, is now collecting photographs to show the world the infinite beauty of water engineering projects.

We welcome all **original photos** of **water and hydropower projects**. There is no special requirement on size, ratio, or equipment used, only enough resolution to ensure the quality of the photo.

The submission deadline is Feb. 28, 2020. We will display the outstanding works we receive on IWHR Wechat account, and we would also like to submit them to the official website of World Federation of Engineering Organizations for wider exhibition.

Submit your photo now to share with the whole world the beauty of water engineering!

Click the link below to submit you work:
