

## World Engineering Day celebration [register](#)

This celebratory event is organised by Namibia Women in Engineering (NAMWIE). NAMWIE is an association that wish to promote awareness in 'Engineering as a career choice for women' & provide a support platform for women engineers in Namibia. This exciting event will bring together different women in engineering association to celebrate their accomplishments and challenges; and share their experiences with each other's. This will provide an exciting opportunity to network and also to meet other professionals in the industry.

The event will begin with welcoming remarks by Mr. M du Toit, Acting Vice Chancellor of Namibia University of Science and Technology; followed by Dr A Van Kent, Executive Director of Ministry of Higher Education, Training and Innovation. Mr. Djaffar Moussa Elkadhum, representative of UNESCO to Namibia will give World Engineering Day remarks, before we end the event with a panel discussion on global contribution of engineers towards sustainable development goals by engineers in the engineering industry.

**Kindly take note:** this event commences at 9.00am for a 9.30am start. The event is open to both men and women. Spaces are very limited for the event and registrations are essential to ensure you have a seat.

Don't miss this opportunity to catch up with local engineer.
